**Cancellations:** Cordelia Heß; Simon Nygaard;

**Minute:** Camilla Dimke

### 1. Welcome and intro (Birgitte Beck Pristed)

- Presentation of members (new students and PhD have been elected)
- Start of a new work year for CAS Committee: Preliminary plan for collaboration with the library + planning of this semester's work based on themes decided at last meeting:
  - 'Presence culture' and attendance – employees' presence in daily life and students' active participation in classes. Coordinators: Janne, Louise, Mathilde, Mikkel
  - Secure research, data and research security challenges, risk countries and the world agenda. Coordinators: Birgitte, Jesper
  - Other topics: AI principles and recommendations, Neurodiversity and professional identity and belonging. These items will be put on the agenda if there is time or if the faculty's bodies ask CAS committee to address the themes.

### 2. Theme discussion: Career paths and opportunities for PhD and post-doc and promotion opportunities for senior VIP (David Harvey and Toke Kløve Junge)

- Intro to the current situation for recruitment: how does it look now (Marie Vejrup Nielsen) (5 min)
- Introduction to the discussion – insights from the group work (David Harvey and Toke Kløve Junge) (5-7 min)
- Group discussion: career advice ideally, and in practice (15 min)
- Plenum – next steps (10-15 min)

### 3. The students' agenda item

### 4. AOB
